my film.

Instructions for students

Line the class up in two lines facing each other to form pairs. Ask the first question. Once each pair has discussed it, get one line to move one person to their right. The person at the end runs around to the other end of the line. Then you ask the next question and repeat the process until all the questions have been asked.

Skye Food Scientist

Question 1

What do you think is interesting about Skye's career?

Question 2

What skills does Skye have that you also have, and does she have any skills you don't have that you would like to have?

Question 3

Why do you think it's important to find a career that suits your skills and personality?

Question 4

How are your current interests and hobbies similar to Skye's career?

Question 5

What kinds of tools or technologies do you think Skye would use on the job?

Question 6

How could this career be done in a rural or remote setting?

Question 7

How do you think Skye's career contributes to society?

Question 8

How important to Skye's work is teamwork with other researchers, farmers, or food companies? Think of an example.

Question 9

What types of bugs do you think might be edible, and how would you eat them?

Question 10

What do you think would be the biggest challenge in pursuing a career as an edible-bug expert?
