my film.

Instructions for students

Line the class up in two lines facing each other to form pairs. Ask the first question. Once each pair has discussed it, get one line to move one person to their right. The person at the end runs around to the other end of the line. Then you ask the next question and repeat the process until all the questions have been asked.

Stuart

Registered nurse

Question 1

What do you think is interesting about Stuart's career?

Question 6

How do you think Stuart's career contributes to society?

Question 2

What skills does Stuart have that you also have, and does he have any skills you don't have that you would like to have?

Question 7

Why is this career important in a rural or remote location?

Question 3

How might technology change this career in the future?

Question 8

What kind of tools or technologies do you think Stuart uses in his work?

Question 4

Why do you think it's important to find a career that matches your personality?

Question 9

When would teamwork be important in Stuart's line of work? Can you think of an example of when you use teamwork?

Question 5

How are your current interests and hobbies similar to Stuart's career?

Question 10

Why do you think cultural safety is important to positive healthcare outcomes?
