

Find Your Path Competition

1

Receive one
STEM-related
question a week

2

Use the clues to
answer correctly
as a class

3

Every correct
answer = one
chance to win

Future You invites Years 3–7 classrooms across Australia to take part in a fun, free competition exploring the world of STEM careers.

What you could win!

- A Nüdel Pod 2.0 valued at \$899, perfect for hands-on, creative play.
- Q&A with Professor Lisa Harvey-Smith, astronomer, author and TV presenter.
- Student prize packs for every winner, delivered in time for the end of term.

Key dates

- Competition opens: 14 October
- Entries close: 28 November 2025
- Winners announced: End of Term 4, 2025

Some ways to do this competition with your class

- Have it up on the board and ask your class to guess as a group.
- As an extension activity for your fast finishers.
- An ice-breaker.
- A quick reset activity.
- A carpet time activity.

Every correct answer counts as an entry. Get all 7 questions right to boost your chances of winning! This is a game of skill. Terms and Conditions apply. See the website for more details.
